Dear Prospective Sponsor,

The Spirit of Faith Warriors is seeking your support in providing Football and Cheerleading opportunities to the youth of Prince George's County Maryland and Washington DC.

The Spirit of Faith Warriors is entering its third season of youth Football and Cheerleading participation. Over the past two years, the Warriors have been an athletic outlet to over 300 area boys and girls. As an association, we take great pride in the achievements of this program, which operates at the highest level and is a strong catalyst in keeping the youth of our community off the streets and on the playing field. The Warrior mission is to develop well-rounded **athletes** who learn not only the fundamentals of **Football and Cheerleading**, but also the importance of education and teamwork, in an atmosphere conducive to developing sound mind, body and character - and having a good time along the way.

One of the biggest obstacles our organization faces is providing quality playing and learning experiences for all participants on a very limited budget. The ability to meet the cost of operating and maintaining a quality football and cheerleading program would not be possible without you, our community and business leaders.

This year we have major capital funding needs. We must provide blocking sleds and miscellaneous equipment. We also should purchase new home jerseys and cheerleading uniforms and equipment for both our football teams and cheerleading squads. We take pride in maintaining all of our equipment. Our other needs include registration and transportation assistance for some of our families that are less fortunate than others. We believe that "none should suffer lack" and that is why we are asking for your help.

Your donation will help fund the quality equipment our players require and enable us to keep our costs low so children of all social and economic backgrounds can participate. We appreciate your assistance.

Your contribution will make a difference and become a part of our communities' effort to do something very positive for our young people and future leaders. The benefits are the young adults who will have been given the opportunity to learn the lessons of faith in self-worth, character, fair play, sportsmanship, discipline, team spirit, hard work, and unity.

Respectfully,

Dion Golatt, Sr.
Football Commissioner, Spirit of Faith Warriors
